Whitby and Whyte | 6 x 20 minutes

**Hosted at: <https://shows.acast.com/hornicast>**

**Slide into the world of Hornicast Productions – Europe’s largest audio porn creator – and meet the saucy Dublin family behind its success.**

In this podcast series from Whitby and Whyte, we uncover what goes on behind the scenes at ‘HORNICAST PRODUCTIONS’ and learn how one Irish family brought audio-porn to the ears of a new generation.

Husband and wife team CHELSEA and JUDE developed Hornicast, an app which propelled them to be the market leader in creative porn.

#### CHELSEA

'Hornicast' is a platform for people to explore their inner desires and sexual fantasies in a non-exploitative and safe environment. We call our subscribers 'Hornimembers' - and we have one-point-five million - from all over the globe.

Meet Chelsea's parents, CAROL and MICK, who tell us how they created 'LUVLINE' from their Dublin flat, while juggling family life.

#### MICK

I mean, you try entertain a toddler and make a spaghetti bolognaise while you're bringing someone to a climax.

This super-sexy premium-rate chat line ran from 1992 until 2005 and was the inspiration for Chelsea to create Hornicast.

Find out how a liberal upbringing influenced Chelsea, and why mam Carol still likes to 'keep her hand in' with the business. Sparks fly when old-school smut meets modern attitudes and technology.

#### CAROL

Can we not 'sex it up' a bit, love? Just give us a biro, a couple of flat whites and a half hour, we'll put a bit of jiz into it.

It's a story that has to be told.

Join us as we explore the unique world of Hornicast and meet the 'HORNICASTERS' behind the microphones, including brassy voice actor KATHLEEN, an outspoken close family friend.

#### KATHLEEN

Our punters want real women's voices. Voices that have lived a bit, you know? You can't get urges with a bleedin' robot, can you?

We'll hear from Hornimembers and learn what goes into crafting these unique, personalised stories.

#### AARON

There you go... < SANDRA >. You can take it all the way down.

We'll also dust-off Luvline's enticing library of raunchy recordings.

MARY (CAROL)

Ohh, now I sees why you call it  
your weather vein, sir.

Brace yourself for a rowdy night at the 'Golden Jugs Porn Awards', where scandals and secrets are unearthed.

We'll guarantee you'll want to go all the way with Ireland's Hottest Family.
